Hi Lorena,

I was off due to an accident in an Uber, and was just cleared to go back to the office today. What is a good time for you to speak today or this week?

Best

Andrew

Andrew,

I have been trying to reach you for over a month. I have a high sense of urgency to complete this project at this time. Is there anyone who can help us take the next step? I don't even know what the next step in the process is so I need some assistance on that too.

I look forward to hearing from you this week.

Andrew,

I hope you are feeling better this week.

As you are aware my board of directors approved the construction costs of a simple stage and upgraded electric. I have been corresponding for several months now with LADOT Parking Facilities Division on communicating our plans. I have a meeting tomorrow morning with the LADOT engineer. Unless we have a setback, I hope to complete the project soon.

I am anxious to complete this project as soon as possible. What are the next steps that need to take place?

I look forward to hearing from you.

Andrew,

I am pleased to announce that our board of directors approved the construction of the stage area at the corner of 6th St. and Mesa St. at this morning's board meeting.

I need to know what the next step is to begin the programming. Should we reconvene the committee?

Please advise. I'm anxious to get this program rolling.
